---------

Only For - COUGH

DRUG FACTS

Active ingredient (in each tablet)
Guaifenesin 400 mg
Dextromethorphan HBr 20mg

Purpose
Expectorant
Cough suppressant

Uses:
• temporarily relieves cough due to minor throat and bronchial irritation associated with the common cold
• helps loosen phlegm (mucus) and thin bronchial secretions to make coughs more productive

Warnings:
Do not use
• if you are now taking a prescription monoamine oxidase inhibitor (MAOI) (certain drugs for depression, psychiatric or emotional conditions, or Parkinson's disease), or for 2 weeks after stopping the MAOI drug. If you do not know if your prescription drug contains an MAOI, ask a doctor or pharmacist before taking this product.
• if you have a chronic pulmonary disease or shortness of breath unless directed by a doctor.

Stop use and consult a doctor
• if cough lasts more than 7 days, recurs or is accompanied by fever, rash, or persistent headache. These could be signs of a serious condition.

Ask a doctor before use if you have
• persistent cough such as occurs with smoking, asthma, chronic bronchitis, or emphysema
• cough accompanied by too much phlegm (mucus)

When using this product
• do not exceed recommended dosage.
• do not use for more than 7 days

May cause or aggravate constipation.
If pregnant or breast-feeding,
ask a healthcare professional before use.

**Keep out of reach of children. Overdose Warning**
In case of accidental overdose, get medical help or contact a Poison Control Center right away. Prompt medical attention is critical for adults as well as for children even if you do not notice any signs or symptoms.

**Directions:**
- take with a full glass of water
- do not take more than 6 tablets in 24 hours.

| adults and children 12 years of age & over | 1 tablet every 4 hrs |
| children under 12 years of age | Do not use |

**Other Information:**
- Store at room temperature between 20-25°C (68-77°F).
- Store in a dry place
- Avoid excessive heat.

**Inactive Ingredients:**
colloidal silicon dioxide, magnesium stearate, maltodextrin, microcrystalline cellulose, polyvinyl povidone, sodium starch glyconate, stearic acid, talc
